

## **Food Delivery Policy and Procedures**

### **Policy**

---

University Housing Services (UHS) front desks in all residence halls and on-campus apartments are not responsible for food deliveries from services such as DoorDash, Grubhub, Uber Eats, Instacart, or local businesses. Residents must communicate directly with their delivery drivers to coordinate drop-off times and locations. UHS staff will not accept, hold, or facilitate food deliveries.

Food or grocery deliveries will not be accepted at the front desk due to space limitations and food storage restrictions; they will be placed outside the building if delivered. UHS is not liable for any lost, stolen, or damaged food or grocery orders.
